

Edinburgh Military Tattoo Experience with Wallace Pipes and Drums.

For Pipe Major Marcel Borg and Drum Major Lark Falzon, summer 2013 is most certainly going to be an unforgettable one. During the month of August, they both had the opportunity to play at the highly-esteemed Edinburgh Military Tattoo as part of the pipe band Wallace Pipes Drums.

During our five week stay in Edinburgh, we

had the opportunity to meet with other pipe band members from around the world. Five weeks of constant rehearsals followed months and months of

preparation, and all the hard work deemed fruitful as their performance with Wallace Pipes and Drums was an excellent one.

Such experiences will continue to push our Band's talent further and help them constantly improve and strive for higher achievements as a Pipe Band.
